18 Civ. 2779 (RWL)

**ORDER APPROVING
SETTLEMENT**

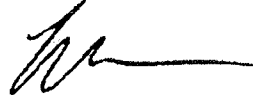

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This case is an action for damages under the Fair Labor Standards Act, 29 U.S.C. § 201 *et seq.* ("FLSA") and the New York Labor Law. Before the Court is the parties' joint letter request that the Court approve their settlement agreement, a fully executed copy of which was submitted on November 7, 2019. (Dkt. 59.) A federal court is obligated to determine whether settlement of an FLSA case under the court's consideration is fair and reasonable and the subject of an arms-length negotiation, not an employer's overreaching. *See Cheeks v. Freeport Pancake House*, 796 F.3d 199 (2d Cir. 2015).

The Court assisted in mediating the settlement of this action and has carefully reviewed the Settlement Agreement as well as the parties' letter. The Court has taken into account, without limitation, prior proceedings in this action; the attendant risks, burdens, and costs associated with continuing the action; the range of possible recovery; whether the Settlement Agreement is the product of arm's length bargaining between experienced counsel or parties; the amount of attorney's fees; and the possibility of fraud or collusion. Among other attributes of the Settlement Agreement, there are no

confidentiality restrictions; the release is narrowly tailored to wage and hour claims; and the attorneys' fees are within a fair, reasonable and acceptable range. Considering all the circumstances, the Court finds that the Settlement Agreement is fair and reasonable and hereby approved.

SO ORDERED.
